CASA SERENA (GLORIOUS OCEAN VIEW)

Price: \$165,000

Close to civilization but totally removed in a gorgeous mountain setting surrounded by wildlife with views of Samara Beach. The property comes complete with a small house already in place where one can life in comfort while building their dream home, in which case the small house could be subsequently used as a guest/caretaker house or as a rental unit. Or the new owner may choose to live in the current house and have expansive outdoor space. Comes with plunge pool. Poolside rancho under construction.
