5133 Lote Verde - Lovely Lot in Upscale Gated Community

Price: \$79,000

Property Size; 1,464 m²

Price: \$ 79,000.00

This lovely lot is located in one of the very few true gated communities in the area. 24-hour security service is in place. The neighborhood is in close proximity to many restaurants, etc.

The project hosts a huge community pool plus a children's pool and clubhouse area for hosting various activities if desired.

The lot is beautifully treed and has a lovely mountain view. It is one of the few lots in the project zoned for a 2-storey dwelling. The community is filled with very upscale houses.

The complex is immaculately maintained and the HOA fees are reasonable. Location is approx. 2 kms. South of Carrillo Beach and the village. Price is recently reduced.
